

Super Ad Blocker

The **first ad-blocker** to block all new forms of advertisements!

Superior Ad-Blocking - Blocks all forms of annoying advertising including fly-in, slide-in, flash, rich media, pop-ups, pop-unders, spyware ads, desktop messenger ads, banner ads and more!

Spyware/Adware Removal - Blocks AND removes thousands of the top spyware/adware programs such as WinFixer, SpyAxe, SurfSideKick, CoolWebSearch, Lop and more!

Privacy Cleaning - Manage your cookies - keep the ones you want; delete the rest! Clean your cache, browsing history and typed url history. Protect your privacy!

Community Based Reporting - Report any ad that is not blocked and our staff will analyze the advertisement and make sure that you, and other users, will no longer see the annoying ad!

Automatic Updates - Automatic application updating ensures that your product is always up to date and will continue to block all new forms of advertising as they arrive on the market - now and in the future!

"...the first product we have seen to block all the ads we tested."

SnapFiles.com

"This fine pop-up blocker won us over with its effective performance..."

Download.com

"SuperAdBlocker is flat out the best ad blocking software I have ever seen."
